National Day Activities

Objective(s)

- **Learn the meaning of National Day through photos and activities.**
- **Children can explore Chinese traditional games and cultures like face-changing, pitch-pot and plate spinning, etc.**
- **Children can enjoy the games of the National Day's activities.**

Brief Descriptions:

Our school will organize the “National Day Activities” so children can learn through multiple activities like flag raising ceremony, Chinese national games, videos, etc. With diversified learning strategies, students get hands-on experience with the quintessence of Chinese culture to inherit and nurture Chinese culture from childhood, enhancing their sense of national identity and national pride.

1)Flag-raising Ceremony

Children stand solemnly to watch the flag-raising ceremony as the kick-off of the activity.

2>About National Day:

Children find out pictures related to National Day in a ball pool and post them on the rainbow wall.

3)Building blocks on famous scenic spots:

Children try building some Chinese famous scenic spots by using blocks or Lego.

4)Chinese Culture Fair:

Children explore traditional Chinese games like face-changing performance, pitch-pot and plate spinning activities.

5)Chinese Dim Sum:

Children role-play themselves by drinking tea in a restaurant to celebrate National Day with their peers.

6)Introduction of National Day:

Children learn knowledge on National Day and related information through stories and pictures.
